

## Welcome to Wheaton Animal Hospital

Thank you for choosing us to care for your pet(s). We strive to provide the utmost in compassionate quality medical and surgical care for each of our patients. We are deeply committed to maintaining the human-animal bond and to affording all pets and their families the best possible quality of life.

Our hospital is full-service. Offering routine examinations and vaccinations, laboratory diagnostics, radiology, and surgery (including spaying and neutering) and dental cleaning and care. We also offer bathing and after-bath brush-out services, as well as hospitalization for sick pets or pets that require daily medications while you are away. Discount vaccination packages for new puppies/dogs and kittens/cats are also available. In addition to cats and dogs, our staff is experienced in treating exotic animals such as birds, reptiles, ferrets, rabbits, and other small mammals. All of the aforementioned services are by **appointment only**.

Presently, we use and sell Hill's Science Diet and Prescription Diets to meet all of your pet's nutritional needs. If your pet requires a special diet that we do not normally carry, we may be able to order it for you. Some of the other over-the-counter products that we carry include flea and tick control products, shampoos, collars, and combs and brushes.

Wheaton Animal Hospital is open six days a week. Our hours currently are:

Monday-Friday 8:00am-8:00pm  
Saturday 8:00am-3:00pm  
Sunday and holidays the Hospital is closed.

Please call first in case there has been a change in our hours of operation.

We do not provide 24-hour supervision in our hospital. If your veterinarian determines that your pet requires 24-hour care/supervision, we will advise you and recommend transporting your pet to another clinic.

If you have an **emergency** when the hospital is closed, please call the Metropolitan Emergency Animal Clinic (MEAC) located at 12106 Nebel Street in Rockville, 301-770-5225. Clients with **exotic animal emergencies** should contact the Virginia-Maryland Veterinary Emergency Service located at 2660 Duke Street in Alexandria, Virginia, 703-823-3601; Or Eastern Exotics 703-654-3100 at 4001 Legato Road in Fairfax, VA.

**POISON CONTROL:** Animal-related only: 1-888-426-4435 (Must have credit card to pay fee)  
**Georgetown Poison Control** (Free of charge): 202-625-3333

**MONTGOMERY COUNTY HUMANE SOCIETY:** 240-773-5900 (to report a lost, found or injured animal).
